Client's Project Title:

Birth certificate pietrelcina benevento

Client's Request:

hi, Im looking for my Great-great grandfathers birthcertificate from pietrelcina, I have not been able to find it but I found what I believe to be his first son's birth record. I would like to obtain a full copy of the birth act to see if it lists exactly where his father was born. The following is the information I found on what I believe to be his birth record in pietrelcina: PAGINA DI DETTAGLIO Cognome IADANZA Nome Giuseppe Località: Pietrelcina Classe: 1891 DataNascita: 19/11/1891 Matricola: 2173 Registro: 65 Again this would be the record of my great-great grandfather's (Nicola Iadanza) son, I am requesting this to find out more information on Nicola so its important that it be the complete act. Thank you.
